- ③ Scott Perry refused to cooperate with the 1-6-21 committee investigating the violent insurrection at the Capitol that resulted in injuries to 140 Capitol + DC Metro police + deaths of 5 of them freely choosing to not appear + give testimony or provide requested documents — he was the 1st Congress person asked to provide information on the 1-6-21 insurrection but refused.
- ④ Perry communicated with Trump's chief of staff Mark Meadows on the Signal encrypted messaging app about overturning the 2020 presidential election + won't answer 1-6-21 committee questions about it.
- ⑤ Perry falsely claims the 1-6-21 committee is illegitimate as an excuse for refusing to give testimony or provide documents.
- ⑥ Perry strategized + participated with Trump + his minions in numerous schemes to illegally overturn the 2020 legally certified presidential election.
- ⑦ He voted against impeaching Trump twice siding with Putin over Zelensky + ^{Mueller} our own CIA.
- ⑧ He played a significant role in advising Trump on ways to subvert the 2020 presidential election, the most egregiously despicable scheme was to have acting US Atty Gen Jeffrey Rosen fired + replaced by Trump loyalist Jeffrey Clark which was unsuccessful because of the promise of mass resignations throughout the US Dept. of Justice by US Attorneys which would cause a major newsworthy scandal — this eventually produced an avalanche of calls for Perry's resignation + him being labelled as a Domestic Enemy of the US. (Perry + Clark intended to send letters to 7 battleground states starting with Georgia to overturn the 2020 presidential election results illegally by threatening criminal prosecutions of election officials + subjecting them to death threats by Trump's base supporters.)
- ⑨ Scott Perry was 1 of 6 Congressional representatives who voted against HR 7276 authorizing investigation into Russian war crimes in Ukraine to Putin's advantage.
- ⑩ As the chairman of the Republican House Freedom Caucus (aka Treason Caucus) Perry ludicrously lied about his willingness to work across the aisle with Biden + the Congressional Democrats for the good of the American people.

- ⑪ Scott Perry zealously supported Trump's BIG LIE long after it was discredited, + he did the same with Trump's conspiracy theories
- ⑫ Perry wholeheartedly embraced Trump's BIG LIE litigation + still does after 60 out of 61 courts rejected his lawsuits challenging the election outcome for lack of evidence + failure to present any evidence of fraud.
- ⑬ Perry called for delay to certify electoral college count on 1-5-21 for non-existent "irregularities", + he did so after 1-6-21 insurrection at The Capitol in DC on the House floor objecting to Pa's election results.
- ⑭ He continued to aggressively amplify Trump's BIG LIE + STOP the STEAL lie knowing Trump was lying + inciting his loyal cult followers while others close to Trump were backing off due to failure to produce any evidence of election fraud.
- ⑮ Scott Perry enthusiastically peddled Trump's BIG LIE, STOP the STEAL lie, + other conspiracy theories that were factually baseless + misinformation + right-wing propaganda about the 2020 presidential election on social media that furthered Trump's scheme to overturn the election + overthrow the will of the voters + the democracy he solemnly sworn to protect.
- ⑯ Perry supported lies about the inaccuracy of Dominion Voting machines.
- ⑰ Perry was instrumental in spreading Trump's BIG LIE that the 2020 presidential election, a discredited lie
- ⑱ Perry played a major role in introducing Trump to Jeffrey Clark to help Trump intimidate Georgia election officials (Sec of State Brad Raffensperger, et al) to overturn the 2020 election. (Mark Meadows + Lindsey Graham also help Trump pressure Georgia election officials to overturn the election results. Rudy Giuliani + Boris Epshteyin did too with Fake Electors + Fabricated Electoral College documents.)
(The 1-6-21 Committee voted to hold Asst AG Jeffrey Clark in contempt of Congress for refusing to comply with their subpoena.
- ⑲ Perry put his political ambitions above the will of voters for months + months + months + the interests of the country selfishly + disgracefully by spreading lies + making

- 20 Numerous political supporters of ultraconservative extremist Pa. Congressman Scott Perry + cult members + worshippers of president Donald Trump were indicted for the violent, criminal, seditious insurrection of 1-6-21 at the US Capitol in Washington, DC because they had been groomed by Trump + Perry almost a year in advance with lies about non-existent election fraud + a stolen election which they knew were lies.
- 21 Pa Attorney General Josh Shapiro warned Perry about violating Amendment 14, Section 3- US Constitution's Disqualification Clause pertaining to his acting in concert with Trump + his BIG LIE inciting violent political insurrection to further Trump's effort to undermine the peaceful transfer of power on 1-6-21, defraud the US, subvert the legitimacy of the 2020 election, + damage representative democracy in an attempt to promote fascism. Shapiro called for Perry's resignation.
- 22 Pa Governor Tom Wolf called for Perry's resignation for trying to overturn the 2020 election with Trump's BIG LIE labelling Perry a disgrace for putting her personal political ambitions ahead of the will of the voters, for months, lying about the integrity of the 2020 election, + violating his solemnly sworn oath to protect the democracy from all enemies domestic + foreign.
- 23 The NY Times, Washington Post, Guardian, + major television networks except Fox Noise Propaganda, OANN, + other fascist misinformation sources called for Perry's resignation, especially over the Jeffrey Clark fiasco.
